

CAPABILITY STATEMENT

Domestic Fill Finish Solutions *Elite Aseptic Technology. Mission-Critical Integration.*

Company Overview

Domestic Fill Finish Solutions is a specialized **SDVOSB** providing comprehensive aseptic fill-finish equipment and owner's representative services for federal pharmaceutical manufacturing projects. We bridge the gap between complex engineering requirements and government procurement standards, ensuring that life-saving pharmaceutical infrastructure is delivered with precision, compliance, and domestic reliability.

Core Competencies

- **Aseptic Fill-Finish Equipment:** Specialized procurement and integration of high-speed filling lines, isolators, and restricted access barrier systems (RABS).
 - **Owner's Representative Services:** Expert oversight for federal pharmaceutical facility construction, ensuring technical specifications meet cGMP and government standards.
 - **Regulatory Compliance:** Guidance on FDA-regulated manufacturing environments and Annex 1 compliance within government-funded projects.
 - **Supply Chain Resilience:** Prioritizing domestic sourcing to meet federal "Buy American" requirements for critical pharmaceutical infrastructure.
-

Differentiators

- **SDVOSB Certified:** Streamlined procurement for federal agencies seeking to meet small business participation goals.
 - **Subject Matter Expertise:** Deep technical knowledge specifically in pharmaceutical integration, not just general project management.
 - **Government Focus:** Exclusively dedicated to government and government-funded pharmaceutical manufacturing (BARDA, DoD, HHS).
 - **Agnostic Integration:** We represent the interests of the government project, not a specific equipment manufacturer, ensuring the best technical fit for the mission.
-

Company Data

- **Entity Name:** Domestic Fill Finish Solutions
- **UEI:**
- **CAGE Code:**

- **Socio-Economic Status:** Service-Disabled Veteran-Owned Small Business (SDVOSB)
 - **NAICS Codes:** * **333310:** Commercial and Service Industry Machinery Manufacturing
 - **541611:** Administrative Management and General Management Consulting Services
 - **541614:** Process, Physical Distribution, and Logistics Consulting Services
 - **Accepts Government Purchase Cards:** Yes
